**Dear Readers**, well myself and the present Mrs Nash have just had a wonderful day in the sun at Rosemoor RHS gardens near Great Torrington, It's rare that a bank holiday can turn out so wonderful weather wise. They say that in certain parts of the country it's has been the warmest early May bank holiday since records began!, this in truth is not so impressive since this has only been a bank holiday from 1978, ok for some of you reading this rubbish this might be a life time, but for others it's has passed in a blink of an eye. Good news the garden is at last taking shape after a very slow start, we are about 3 weeks behind in planting the peas and small seeds, but i an hopeful it will all catch up as long as the slugs leave every thing alone. Unfortunately this year we have a cock pheasant who has taken a liking to the onions and is merrily pulling them up, but if he continues doing this i could have to resort to a more violent solution. A question for you out there in the land of the link?. When did Lewdown become a village, i ask this because in the sales area at Rosemoor they were selling maps of various areas of Devon from the early 1800s, and the one i was looking at concerning around here, there was no mention of Lewdown, all that is shown are the local parishes and some properties called New inn. Possible some one from the history group could help. Will close now as the family have decided it is to good an opportunity to miss and the bbq needs airing . Best wishes (still your chairperson) it's your own fault Tim Nash.

This months joke was told to me from a very esteemed member of the parish council, (now you know what they do at the meetings). Have you heard about the young nude female ventriloquist?, no man has yet seem her lips move

## MARYSTOWE

I'm sure that everyone would agree, that our church is looking well-loved and cared for, and we all feel very proud of it! Thanks to Dean Elliott & Son Garden Care and volunteers, Ross Woods and Chris Taylor, the churchyard has never looked so good; a yellow carpet of primroses and celandines. Now, with the grass mown, the colour palette has changed

with the bluebells and wild garlic now in bloom.

On Easter Sunday, we had a Morning Praise service, led by Richard Searight, who kindly stepped in at very short notice. The church was beautifully decorated, with flowers arranged in baskets. These were delivered to ladies in Chillaton and neighbouring villages. Everyone stayed after the service and

enjoyed chatting over their coffee and biscuits. As a new fundraiser, we began The Silver Smarties challenge; when tubes of Smarties were given out, to be filled with 20p pieces.

On Tuesday, 10<sup>th</sup> April, we held an Easter Coffee Morning and Book Sale in the Schoolroom, which was enjoyed by over 30 people. The outreach Post Office was much busier than usual; providing a variety of services. Coffee

and tea was served, to go with Easter cakes and biscuits. A raffle was held, and in addition to selling the books, we started a Jig-Saw Library, which proved to be very successful. Altogether, a great morning!

The sale of second-hand books in the Church and the Schoolroom has raised a considerable amount and our thanks go to Barbara and John Dawe for organising this.

Other events planned for the coming months are: Tavistock Wheelers' coffee stop, another coffee morning with a plant stall and an afternoon tea. Launceston Camera Club have asked if they might hold a photographic exhibition in memory of Les Bennett (as soon as we have a date, we'll let you know) and on that occasion, we might tempt you with a cream tea!

## **Lewtrenchard WI, May, 2018.**

This month was the AGM and also our once a year get active session which was led by Jessica Squires at the beginning of the evening before the AGM was held.

Jessica is a dance teacher, fitness trainer and a member of a 1940's singing trio. She teaches all ages, groups and organisations. This evening she was here to teach us some dancing moves to Charleston, Bollywood and Rock'n'Roll music.

We were shown that even sitting in a chair it is possible to move and exercise and get the heart rate going. So successful was the session that we asked for an extra dance before we started our AGM.

Cathie Slocombe gave the vote of thanks before going into our usual meeting covering a report from Monique Hedger on the Devon Forum AGM held in Torquay. It was a full and entertaining report giving members a good impression of the day spent amongst around 450 WI members from Devon many of whom were dressed as suffragettes.

The AGM began at 8.50pm with the minutes of 2017 AGM read by Barbara Scott our secretary and reports on finance from Julie Chick, treasurer and the Presidents Address from Cathie Slocombe.

Cathie saw her Address as an opportunity to thank all the members for their hard work and support over her first year. She recognised and appreciated the true WI spirit that saw members pulling together and making all and any tasks needed from them performed and achieved successfully. Thanks was given to Marion Lethbridge and the very hard work of Julie Chick as treasurer who left the committee this AGM.

Elections were held and saw Cathie Slocombe as President, Monique Hedger as Treasurer and Barbara Scott as Secretary.

The meeting closed at 9.10pm and members enjoyed a most welcome cup of tea.

Next Meeting 11th June, summer outing 2.30pm. Contact committee members for details.

July 9<sup>th</sup> meeting, speaker Philip Rodda and competition Fidget quilt/muff. All welcome.

Dear Friends,

### **FELLOWSHIP AND FUN**

I am very pleased to invite you to join members of the local churches for times of fellowship and fun this month! If transport is required for any of the following events, you only have to ask me.

#### **Sunday 10th. June**

##### ***BROADWOODWIDGER SUNDAY LUNCH 12.30 for 1.00pm.***

Broadwoodwidge Church's annual Sunday lunch takes place at Bratton Clovelly Village Hall. This is always a popular event and tickets (£12) are always in high demand – available from Marion (01566 776758) or Rosie (01837 871614). You are most welcome to be part of this splendid annual fellowship event and to enjoy a good meal ... when the conversation and wine usually flow freely!

Several events are also planned for the weekend of the 23rd / 24th June when your company would be warmly appreciated.

#### **Saturday 23rd. June**

##### ***GARDEN PARTY in The Rectory Garden, Lifton. 2.00 – 4.30pm.***

Many local organisations, craftspeople and charities have booked tables ... Cream Teas will be served... entry is free with a lucky ticket prize! Gazebos will abound! Many other stalls and games of skill will fill the Rectory lawns – all in the peace and setting of an English country garden. This will be the

fourth consecutive Garden Party at the Rectory, raising funds for Lifton Church in a relaxed and happy setting and it will be all the more successful if YOU are able to come along. I hope to welcome you on the day, (if wet, in the Church Hall).

### **Saturday 23rd. June**

#### **AN EVENING OF MAGIC & MUSIC at Hayne Manor. 6.30pm**

This fund raising evening has been graciously enabled by the Booth-Clibborn Family who are opening their home in aid of Stowford Church funds. It promises to be a very entertaining evening. Tickets are £12, (adults only) purchasable in advance from Monique (783765) or Julie (783223). The ticket price includes refreshments. This will be a wonderful opportunity to discover Hayne Manor, close to Hayne Mill. I look forward to welcoming you for what promises to be a most engaging evening.

### **Sunday 24th. June**

#### **ST. JOHN THE BAPTIST DAY. Worship with the Bishop 11.00am**

The Rt. Revd. Nick McKinnel, Bishop of Plymouth will be leading Stowford's Patronal Festival Service for this united Benefice Service. The service will be followed by a Bring & Share lunch in Stowford Parish Hall. This will be a golden opportunity for our local churches – and visitors – to spend time with our Bishop and with one another for a time of worship and fellowship.

### **Sunday 24th. June**

#### **MIDSUMMER'S DAY PARISH WALK & BARBEUE Kelly 6.00pm**

Whether or not you are able to join in any of the events listed above, you might like to round off the weekend with a walk through Kelly's beautiful countryside. The walk will not be arduous and should last for about ½ hours. The walk begins and ends at Kelly House (plenty of parking) – a delicious Barbecue will be available at Kelly House after the walk. We ask for a donation of £1 for the walk, for Kelly Church funds. The Barbecue charges depend on what you choose to eat! This is always a relaxed occasion, with plenty of opportunity to chat with fellow walkers and diners. Dogs, under control, are welcome!

Church life is not only about worship! While the church depends upon its times of worship for sustenance and strength it also grows through times of fellowship, fun and even fund raising. Your local church is glad to welcome you to its services as well as to its social activities. As we live together in community so it's good for the church family to share the whole of its life with all of its friends and neighbours in these villages where we live.

Come along and meet us in church or out and about in the community. You will always be made to feel very welcome.

All prayers and good wishes to you all,

# GARDEN PARTY

## LIFTON RECTORY

Parsonage Court - Opposite Lifton Church

**SAT. 23rd. JUNE - 2.00 – 4.30pm**

Cakes, Raffles, Cream Teas, Sideshows, Games & More!

Free Admission with lucky entrance prize

All are invited to come along and join the fun!

Funds raised will be used to support the work of Lifton Church

*(If wet, to be held in Lifton Church Hall)*

### **Lifton Benefice Sunday Services Rota.**

As many of you will know, the Revd. John Withers is not at all well. As a retired priest his assistance in the services and ministry of the local church has been of immense value and benefit since he and Wendy moved into Broadwoodwidge. Sadly, John is currently unable to assist in his customary generous and thoughtful way, so it is now necessary to revise the pattern of monthly services across the Benefice to enable The Rector to manage, with the welcome help of lay church members who are able to lead services without Communion. A new services pattern will come into operation in July.

In the meantime your prayers for John and Wendy will be much appreciated. We send them our love and share our hope that he will soon be fit and well once more.

# **A History of Orchard Barton**

*visit courtesy of William Yeo*

**Tuesday 19 June: 7.00 pm at Orchard Barton**

Orchard Barton is an ancient farmhouse with features dating from the 17<sup>th</sup> century. Although some of its structure was apparently removed by Sabine Baring-Gould, its owner in the 19<sup>th</sup> century, and incorporated into Lew House, it still has many features of interest and is a Grade II listed building. The farm is also significant for being located on a packhorse trail, one of a network of ancient trackways which were often distinct from the wider drovers' roads.

**Please register your interest to give us an idea of numbers.** You can phone 01566 783567 if you have not signed up at the May meeting. Visitors are very welcome but are advised to register their interest, as above, in case there is a rare change of programme or for further information. Lifts are possible also, or you may wish to meet someone at Lewdown Post Office, by arrangement, for guidance to Orchard Barton. Charge £2 for members, £3 for non-members to include refreshments.

**April Meeting:** Our second visit to **The Bude Canal** explored what remains of the Devon sections of this canal. Operating between 1825 and 1891, the Bude Canal allowed 20ft-long wooden 'tub' boats to be towed by horses far inland, carrying beach sand to fertilise the acidic soils and anything else that was needed. One branch terminated at Holsworthy but all that remains of this are a few damp ditches, some converted wharf buildings and an occasional clue such as 'Canal Cottage'. The other Devon branch, starting at the Lower Tamar Lake, was known as the Bude aqueduct as it was originally only intended to act as a water supply for maintaining canal levels. However, just below this lake, a wharf was soon constructed at Virworthy. Here the basin is

still full of water (although it was a bit low, having sprung a leak!), a warehouse has been converted into a small museum and one of the original metal bridge frames is now a picnic table. It is possible to walk the towpath from the lake, past Virworthy and for about another five and a half miles to our next destination at Venn. Here we saw the junction with the Holsworthy branch and the site of filter beds dating from soon after the canal's closure when the water from the Tamar Lake was used to supplement Bude and Stratton's water supply. Only three locks were built at the wider, seaward end of the canal so that, to climb further inland, the wooden tub boats were fitted with wheels to enable them to be hauled up inclined planes on rails. We explored the most gently sloping inclined plane, crossed the upper reaches of the river Tamar into Cornwall on a solidly-built aqueduct and saw one of the few stone 'accommodation', or farm access, bridges over the canal. To finish, we revisited the spectacular, steep Hobbacott inclined plane, reputedly the longest on any English canal and had a distant view of Bude far below. Our leisurely day along the canal surely echoed the spirit and pace of a bye-gone age.
